

JOIN THE CARROLL COUNTY MRC!

You don't need a medical degree or nursing background to become a member of the Medical Reserve Corp. You don't need to commit to large portions of your free time either!

If you have ever thought about lending a hand in a disaster to protect public health during events like the H1N1 pandemic or Hurricane Katrina, the Carroll County Medical Reserve Corp is for you!

The MRC is headed by Melanie Campbell, Health Commissioner for the Carroll County Health Department and works together with local fire, law enforcement, and EMA to prepare for and respond to community emergencies.

The primary focus for the MRC is preparedness. Training is offered throughout the year and during times of community need. If you would like to learn more about the MRC, please contact Jason Smith, Emergency Planner, at (330) 627-8022 or email jsmith@carroll-lhd.org.

If you would like to join the MRC, please RSVP for one of the training classes:

Tuesday, May 18, 2010 or Saturday, May 22, 2010
9:00 am-4:00 pm (*Lunch on site*)
Old Villa Restaurant (Moody Ave SW, Carrollton)

In addition, the following classes will enhance your MRC training, but are not required:

- **Incident Command System 100 series**
May 6th (DJFS Connections building) 8:30-11:30
- **CPR Heartsaver with First Aid**
Call for details
- **Incident Command System 200 series**
June 8th (Connections building) 8:30-11:30
- **Communicable Disease Education with Bloodborne Pathogen Training**
June 15th (Old Villa Restaurant) 10:00 am-12:00 pm

To RSVP for any of the classes, please call (330) 627-8022 or email jsmith@carroll-lhd.org.
